

# MORE PROTECTION. MORE SOUND DEADENING.

With the ALL-NEW WHEEL WELL COVERS

-  **Protection**  
In a cargo van, the wheel wells are one of the first things to dent and damage quickly, because of cargo loading in and out. Covers allow full protection of all bare metal panels.
-  **Decrease Road Noise**  
Significantly deaden loud wheel and road noise by closing in wheel wells with extra padding
-  **Thermal Barrier**  
With layers of insulation, wheel well covers complete the insulation of the van's interiors.
-  **Professional Appearance**  
Enhance your brand and mobile workforce appearance
